Subject: Suspension of Power Cost Equalization (PCE) Disbursements to the Manokotak Power Company (MPC)

Dear Mr. Sandstrom:

MPC's 2022 Power Cost Equalization (PCE) annual report was due November 30, 2022.¹ Commission records show that as of April 19, 2023, the Commission has not received this report for MPC. Commission Staff has contacted MPC, on more than one occasion to remind the utility of its filing obligation.²

Pursuant to 3 AAC 52.680(c),³ we hereby recommend suspension of PCE disbursements to MPC until the annual report is filed and the Commission establishes permanent PCE amounts. If you have any questions regarding this letter, please contact Utility Financial Analyst Brenda Cox at (907) 263-2131 or by email at Brenda.Cox@alaska.gov.

Sincerely,

REGULATORY COMMISSION OF ALASKA

¹ Commission Staff (Staff) notes MPC's PCE annual report for FY2021 is also due.

² Staff emailed MPC on March 31, 2022, September 16, 2022, and February 16, 2023.

³ This regulation provides that the Commission may recommend PCE payments be suspended until a utility files an over-due annual report and the Commission establishes permanent PCE amounts.
